ML

Mary Alice and I were classmates for a number of years. I graduated in the class of 1963. We both were in the small group of girls who sang together in high school (5 or 6 of us) (Mrs Hickman was our teacher) and we wore maroon skirts and white blouses. I think the group also included Shirley Lagrone, Charlotte Morgan, Carolyn Yoakum, ...just went "brain dead" and cannot quickly find photos. I married Charles Lopez in 1963 and we moved to Freestone County in 1971. My thoughts and prayers are with her family !!!!

Mrs. King was a beautiful lady inside and out. I loved hanging out at the King's family home playing basketball with Angie and Alvie. She attended all of our school basketball games. You could look up the stands and see her seating in her usual location. She always had a kind word or words of encouragement, and a beautiful smile that would light up a room. I know she will be missed. Sorry I could not be with you today to celebrate the life of such a beautiful lady and to say good-bye to her. My thoughts and prayers are with you today. My deepest condolences to the entire King family!

Love you all Vicki Myers-Griffin and Glen Myers , and the entire Myers family

We love you and God Bless!

Mary Alice was 5 years older than me but she always was so sweet to me and tolerated me when she was already a teenager. She inherited that sweetness from her mother and passed it on to her children. I know she will be sorely missed but isn't it wonderful that we know we'll see her again. My prayers and condolences to all her family. Gloria Beth Lange DeLuna Frey from Gause.
