“ Sincere condolences to family and friends of Dennis Johnson. I remember meeting him and he was so kind and gracious to help my father get a washer and dryer set in his house. Then when the dryer went haywire once, he was there the next day to fix it and didn't leave until he saw it running and working properly. I hope he rests in peace and family and friends will see him on the other side waiting with a smile on his face. God Bless. SINCERELY CHERYL FRIEDRICH ISELT SANDERS

See you sooner or later bother.
