“ A gentle soul with a heart of gold. He will be missed and the square won't seem the same without him. Wishing his family peace and comfort during this time.

“ I have happy memories of visiting with Jack whenever I would stop for a pizza on the way home. He would ask about me and my children, and encourage me to remain strong. The Square will seem quiet.

“ I remembered always talking to Jack checking on him when weather would change. He loved when I made him homemade food especially tortillas and chili. You will be missed Jack RIP

“ I will miss Jack. I enjoyed sitting in the square visiting with him and Sawdust. Later, Jack and other friends would meet at 40 Acre Wood and visit and talk about our favorite books. Jack had some great stories.

Sending my love and sympathy to Jack's family!
