“ J. D. Dawson brother of Billy Joe Dawson and brother-in-law of wife Barbara Dawson. We love J D and will miss his jokes and caring for all. J D when he was a little boy was brother Billy J Dawsons responsibility to look after him if they went to a movie. When the movie was over JD did not want to walk home so his older brother, Billy Joe had to let him sit on his shoulders and bring him home, because if he didn't J D would cry and throw a temper tantrum. J D had a bad thing happen to him but it was an accident. Most all his brothers were playing football and naturally J D who was 5 or 6 got in the way and the brothers piled on top of him and broke his leg. Granny made all the boys take care of him, if he couldn't turn in bed the boys had to turn him, but time and love their little brother made him well. There were so many stories but they all loved each other, Mom and dad Dawson raised a loving family !
