“ My sweet dear friend, I am at peace knowing that you are home and for the first time since we met years ago- pain free! Amen! But I was not ready to let you go from my life. You took a piece of my heart with you. Oh how I am missing your hugs, your love, and your smile! I will surely miss our talks and laughter together. I know you knew how much you mean to me. I will keep my promise to you. I will forever carry you in my heart, I love you.

To her precious family, I will be praying for y'all as you move forward. Sending much love your way.

“ From the time you became my Aunt you've always been my favorite. You were always a woman of your word. I can remember you working on cars with your very long acrylic fingernails, cutting the whole families hair, and anything else that needed done. You have always held a special place in my heart for stepping up and keeping family together when you didn't have to. I always admired the strength of tenacity you had. I'll never forget the perm you gave me the day before picture day when I was in the fourth grade. It didn't take to my hair like we had hoped. Aunt Rhonda, know that I'll never forget you and you will be missed greatly by many many people.

To all my cousins and Rhonda's extended family, I'm deeply sorry for your loss of such a great Woman, Mother, and Friend. I'm always here if you need me. I love you all so much.
