“ I am so saddened to learn of Aaron's passing. He and Joan were like family to my husband Max, our children, and me, while we resided in Rockdale from 1989-1998. Aaron and I continued to keep in touch after Joan's passing through phone calls and email. He mailed me a tea cup so that I would think of him while having a cup of tea, as if we were sharing it together. When he went on a camping trip with friends to Williams, AZ, we couldn't pass up the chance to see him once again as we live only 2 1/2 hours away. It was so wonderful spending time with him. I will treasure the memory always. It has been quite sometime since I have heard from Aaron. I would periodically send emails but got no response. I checked obituaries and thankfully didn't find one for him until recently. I always signed my emails, 'Love and miss you' and today I do more than ever. I truly loved him. I have been missing him for a long time but today it is with tears and a heavy heart. He was a special friend and I have many fond memories of him. My heartfelt condolences to you... Jody Cornia
