“     I'm extremely heartbroken to be finding out why I haven't heard from you in so long. I knew something wasn't right. I miss you and I will never forget you!!!! From all the concerts we attended together (especially The Used-your fav band), taking the MSF course and getting our motorcycle endorsement together, to going to Missouri with your family to meet your sister, to us spending late nights in the kitchen baking pies and treats to share with the family, playing video games, going to movies, jamming out.. I will hold all of our memories very close to my heart.  My condolences go out to his family. Don't hesitate to ask me for help with anything, I'll be there.  Much love..till we meet again

“ *I am still at a loss to process this tragedy. Aaron had such a gentleness to him, a kindness that was so genuine and not seen in many. Everything he did, he did with passion. Every life he touched has been blessed.*

“ So many fond memories. The first time at the beach when the waves made him dizzy and he wanted daddy to ‘make it stop’, the cousin half dozen under the big oak tree at noonoo and papa’s house, the well earned diploma just to highlight a few. You have been met by your grandparents, cousin and uncle so let noonoo, papa, Janet and Mike know we love and miss you all.

“ Aaron loved his buddy and companion, his father. They enjoyed many concerts together and shared a love of music, old and new. Aaron was a kind and gentle soul and in so many ways too tender for the pains of this world. He was and will always be loved and remembered. Our sympathy from the Sanders. Our lives have been interwoven in joy and pain, but in God we find comfort and the strength to carry on and hold to the treasures of lives we have been touched by. You are loved Aaron Reue and you will be missed and fondly remembered.
