“ *I worked with Aaron only for 4 weeks but even in that short period I learned he loved his daughter with all his heart and she was his main focus. He was a friendly, outgoing person and a life taken way too soon. I send my prayers to his family and that sweet little angel of his.*

“ Aunt Marti, Uncle Dale, Jason, and Ashley: I really wish I could have been there with you all today. All of you are in my family's prayers. I think back on the times I spent with Aaron and your family so many years ago, swimming in the pool, church camp, and wrecking the go-cart, and my heart is so heavy today remembering what a wonderful guy Aaron was, and knowing I'll never get to see him again. I know God has a plan for him, and must have needed him pretty bad to bring him home so soon. You guys are very blessed to have had him in your life. I love each one of you very much.

“ We are saddened by this great personal loss. We have precious memories of our two children and the three Schultz children enjoying Mt. Zion Camp in their early years together. Our hearts are heavy as we think of you; and we are trusting, along with each of you, that our Savior, Jesus Himself, will minister his grace to endure day by day. We ask Him to comfort you as only He can do. Juanita Taylor would like us to express her sympathy, also.

“ Aaron and I clicked from the moment we met. I hold him so dear to my heart. He was there for me during some rough times. He was always willing to be a supportive friend at the drop of a hat. I will miss that smile (those dimples) and his inviting hugs. I love him and send my thoughts and prayers to Clara and all his family.

“ Aaron was a dear friend of my daughter, Cris Mueller and I had the pleasure to spend an evening having dinner and drinks with him. We had such nice conversations sitting out on a deck, as he shared his love of the family ranch and the hard work he was enjoying there. He took pride in talking about teaching his daughter about the work he was doing and the importance of it and the importance of family and tradition. He talked about the love in seeing his daughter at the end of an active, healthy living and playing day at the ranch and how pooped she was; she was the love of his life.

Prayers and blessings go out to his loved ones, in this very difficult time. The pleasure of belonging to a family is a treasure indeed.

“ Since getting home today after hearing of Aaron's passing, I've looked at lots of old photos from middle school and high school. In every one, even if Aaron wasn't the subject, he had a smile on his face. I remember Aaron as being someone that would talk to anyone. We went on band trips together, played sports together.... He will be sorely missed. I offer my condolences to his family and friends. Aaron is in Heaven now and we'll all see you again one day.
