“ *Delores and I had a relationship on a more business side. I have been her mail lady for a number of years. She was always one of my favorites because she always had nothing but nice things to say. I always would do my best to visit with her as long as I could even by clocking out for a lunch. I never wanted her not to be able to tell me any little story she wanted to share. She was a joy to see anytime I did  
This is a tragic way to lose such a wonderful customer and friend. Family my deepest condolences but always remember she was a blessing to us all. Rest easy my dear friend.*

“ *My condolences to the Wolverton family. Delores was a beautiful person inside and out.  
Every time I would see her she was always helping someone. She would always have that big beautiful smile on her face. No matter what type of weather she would always have that big beautiful smile on her face. Helping someone was all I would ever see her doing. If she was at the store two or more times it was always because she was helping someone. HEAVEN just got another ANGEL. Fly high Delores and take your Rest. Job well done. I love you.*

“ *Delores was the sweetest loving and caring lady, My Dear friend of the last nine years. She had a sweet smile and Big Heart. She new all my family and always ask about each one, especially my little granddaughters. She loved garage sales. Loved searching for dolls and stuffed animals. I ask what they meant to her. She said when she was little she never had those toys. She always had them in her van in the back like children and little pups, Rudy and Lucy, she loved them so much. They always rode in the front seat, everywhere. I was like her go to friend and her words when she would leave my home or a talk on the phone, was I love you and a kiss on the cheek. Like a Mother figure to me 😭 I pray you Rest In Peace ,💔Becky and Family 🙏📱*
