“ *What a wonderful man and great friend! Knew him for years but rekindled our relationship in Williamston at the Eagles club. One of the blessings is Sherry and I got our high school relationship rekindled as well! Janet and Al became like our second parents and we loved them dearly. We saw Al back in the winter of 2025 and still lots of pool was played and he was still an amazing shot. RIP mom and dad we love you ❤️. Love Butch and Lori*
