“ It would take me all day and night to write what I could say about Beanie! Beanie was one of my mom's favorite cousins and mine as well. Our families would switch Saturday nights going to each others houses for many years while I was little. We also had some delicious snacks. She was such a kind sweet woman and an exceptional cook. I will miss her so much. I tried my best to keep in touch and let her know how special she was. She had a long life but she will be so missed. Love you Beanie! You are whole again.

“ We will always have fond memories of Aunt Beanie..... she was always so kind & sweet to Margaret & I, during the years we were enjoying great family times with all the Frieda family. It is a sad time, but also a time for rejoicing, because we can all know that she is reunited with Uncle Frankie, & also all our Frieda Grandparents, & all those that have gone before us. You can bet there are lots of hugs & love being shared!❤️ We will miss her ,& we are praying for all her family as well. Mike & Margaret Leitko

“ Aunt Bennie was a very special lady with a beautiful heart. She was always sweet to us kids, every time we'd get together at her and Uncle Frankies' house, or at Grandpa and Grandma Friedas' house in Caldwell. She will be dearly missed by all. Sending prayers and condolences for the entire Frieda family. 🙏💙
