“ I was saddened to read of Alice's death. My fervent prayers and heartfelt sympathy is shared in prayer to Robert and kids.

Alice and I were close friends in our high school years, buried neck deep in band and any other music related programs we could get our hands on. During this time I met Robert. I was blessed to be included in their wedding at Pin Oak, prayed alongside them for healing and courage during their first daughter's illness, and grieved with them when Christ called her home at a very young age.

I will continue to pray for you and your family, Robert. May you continue to find strength and comfort in the healing only He can give.

“ We are so sorry to hear of your loss! I worked with Alice many years ago at Tx DPS in Austin. It was awesome seeing Alice and Robert years later. Alice you are not gone, just away! One day we will see you again in our Heavenly Home! Our Heavenly Father has called you home to be him since your job here on earth is done. We will miss you but we know you are in a better place! God bless and be with your family and friends in this time of sorrow! 🙏🕊️💖
