“ *I remember Aliene when she bowled. I'm not sure if she was one of the ones on my Granny, Tena team, but I got to know all the bowlers well. What a great lady. I am sorry for your loss and celebrate her life. God be with you all. May he comfort you and reassure you that our time on this earth is short and all we have left is our memories when we lose a loved one and the assurance that we will be with them again in Heaven.*
