“ JR was by far my favorite dancing partner. Always full of joy and enjoyed life to the fullest. I will always remember his laugh and the way he would jump and holler if you happened to surprise him. I will miss him greatly.

“ After reading what said about JR when he bowled and picked up a spare or even got a strike I just had to laugh because my favorite was if u came up behind him and tapped him on the shoulder with him not expecting it he would loudly say your nose is cold.. I will forever miss JR and the guys that bowled rest easy my friend your work on earth is done....

“ We are so sorry to hear about JR. We have missed seeing him these past couple years due to COVID, but kept in touch through some friends. We enjoyed bowling with JR in Giddings and at several tournaments in Las Vegas and other places. He also enjoyed going gambling with his friends. JR is not gone, just away! One day we will see JR and there will be a grand reunion with family and friends. He may even meet us with his pants pulled up like he's walking in deep water. I remember JR doing this when he got a strike or picked up a spare. JR you will be greatly missed.

We know he is in a better place with Mama, his dad, and other loved ones. God bless and keep JR's family and friends in this time of sorrow. Love you JR!
