“ There's 2 memories I really will never forget. Waiting for you to come home from work and you always had me a carton of chocolate milk. Going everywhere with you and mom on the weekends and having to listen to Polka the whole time. You and your pipe and the smell of Black Cherry. Your pain free now Daddy and with Mom. I'm going to miss you and our phone calls and the jokes. Tell Mom hi. Always in my heart. I miss you both. All my love

“ Neighbors and friends for over 50 years with the Sulak Family. One memory, I will share is when one of his grandsons was in college and playing good football. We took the Temple Telegram Newspaper back then. Alvin asked me one day if I would save the paper so he could keep up with his grandson's sports. We did this until he graduated from college. No problem for me as we live only 2 houses up Morrison Dr. from them. RIP Alvin, we will miss you! Linda and Warren Whorton.
