“ To my brother Don and Amy's family,

When I first meant Amy about 27 years ago and came to their house and many times after I always felt welcome with her smile, a hug always positive and caring for others and of course always her love and protection of animals with out her they would have had no life at all.

The last time I visited Amy and Don in Quintan about seven years ago

I did something that I've never done, on the way there I picked up a stray dog.

I called right away and asked Amy can I bring someone along, she said of course.

I got there the next day she made arrangement at their Vet to see my new friend.

Amy went with me and when we got back to her home, Amy left for a while when

she came back a new collar and leash was with Amy. For not only my new friend

Dobbie but her new friend also, she just called him handsome. Amy had such love for Animals.

Don, Amy's family and friends God be with you and bless you all.

God Bless you

Amy, our hearts will be heavy forever. My most precious sister-in-law I loved you.

Love you,

Bob, Joyce Helmstadter

and Dobbie
