“ *My condolences to Andrea's Family. She will be missed by her mother her children and her entire family.
I have known Andra since she was a little girl. She has always had the same smile.
I know that her mother Pat will miss her only baby girl as will her children, grandchildren and her brothers. Andrea's family and friends loved her but God loved her more.
God saw the pain that she was in and he stretched his hand out to her and said come on home my child and rest.
Pat I know that it hurts but she is at home with God and she is at peace.
Just know that she will forever live in your heart.
From time to time you'll think of something she said or did and it will bring a smile to your face.
I love you Pat and I am only a phone call away call me anytime day or night.
Andrea I will see you again.*
