“ I can't believe that I am seeing this...a year after you passed away. I will always remember you as the tall girl that my brother, Romeo Tolentino, introduced me to, along with Daphane Taylor (I believe) and Erika Baugh at Cabaret back in the day. We had some pretty good times clubbing or just hanging out.

“ This comes as a shocker. She will always be remembered for her sense of humor, not a day went by that she didn't make you laugh. God Speed Annette.

“ *Annette will always be remembered as the beautiful, sweet teenage that babysat me, but made me feel like I was really a friend spending the night. She would tell me about God, took me skating, and just sat and talked about whatever I wanted to talk about. It was a huge confidence boost for this 9 year old. So sorry for the family and all her friend's loss. She will forever live in my memory as a beautiful, caring young woman!*
