“ Tina,

I was so saddened to see your post when your mama passed away. My heart goes out to you, Johnny, Cam and Cody, as well as all family members. I felt I knew her, as we talked about her all the time at work. Knowing you, I know that she was a beautiful lady who loved her daughter and grandchildren deeply. She took really great care of Cam and Cody when they were small and got to see them grow up into a handsome young man and beautiful young lady. You, Cam, Cody and Johnny will hold and cherish your memories and time spent with her forever. I know how much you will miss her every single day. Your mama was a beautiful lady, just like her daughter. She will be by your side and in your heart forever sweet Tina. God needed another beautiful angel to walk beside Him and He chose a sweet, kind hearted and loving lady to join him. God bless you my sweet friend and be with you during this sad and very, very difficult time. Always know that she will walk by your side in spirit daily. My heartfelt love and prayers will be with each of you.

“ We send our deepest condolences and prayers to Tina and the family. Ms. Richard was one of my favorite neighborhood Mom's growing up in Aldine whom I will never forget. She was a very sweet woman and she loved her family. She always welcomed me in her home, she always made sure we had fun activities to do and snacks! I also remember her sense of style...nice clothing, nails always polished and her hair in place to perfection...even her poodles were groomed with bows and nails polished Lol As a young girl, I always admired her...she was a good role model. Rest in Peace Ms. Richard! You did well, you made an impact in this world to more than just your family!

Sincerely,
Kimberly Bob Bernard and Husband
