“ *We are saddened to hear of Antonette's passing. She was a loving and dear friend of the family. I so very much enjoyed when she dropped by to visit my mother, Vivian Yezak, in recent years. Their friendship goes way back to common friends and family in Bremond. They shared a love of gardening and bingo.*

We send sincere condolences. May God comfort you in your loss.

Kenneth, Harry, and Tony, it's so hard to imagine your mom is no longer with us. Another mom has joined the angels to watch over us. I still remember the first time I saw her when your family moved to Rockdale around the corner from our house. She gave me tinker toys and a very nice book satchel over the years, and picked a million sticker burs out of my pant legs with tweezers. Ms. Toni was the best and I will never forget her. May all your family find peace in wonderful memories of her. My sincerest condolences to all of you.
