“ I can't say enough good things about Arthur Suehs - He was married to My Aunt Betty Krenek and He was absolutely My favorite Uncle of My childhood years - He was always friendly, kind and had the most outgoing, funny and endearing personality that You could imagine. I'll always remember His talent for telling stories about anything that You could imagine, which He always ended with His signature expression of Ha!! And then We would laugh repeatedly at His rendition of whatever story that He had told for that day!! He was always kind and friendly to a fault & their was no limit to His kindness and generosity to those who He loved and it was obvious that He loved and greatly appreciated any conversation that He could have with Me & there's way that I could have put a price on what He meant to Me when I was growing up & after I became an adult. I will always value all of My memories of Him & how He always treated Me like a real person that He greatly admired. He was someone that I always looked forward to having a conversation with!!

Rest in peace, My treasured Friend. I definitely want Your family to know what a wonderful person I considered You to be.

Rest in Peace, My old friend!!

Sincerely,

John Pruett

“ *I'm truly sorry to hear of Arthur's passing as he and I were in the army together and shared the time on operation Desert Strike. Arthur was a really good man and I will miss his annual Christmas Cards. We still communicated some after being in the service over sixty years ago. I know the entire family will miss him and his easy going attitude. My thoughts and prayers are with you all.*
