“ *A beautiful cousin that is in so many memories of my childhood. Long family drives to visit during the summer, playing with goats, swimming in tanks, and family reunions. A special visit during a very difficult loss in my life where she showed up and gave such loving support over and over. Always felt close to Connie even though we didn't get to see or visit very often. A sad loss to all who knew her and especially to her family. Praying especially for Aunt Elaine because of the overwhelming loss of her daughter.*

“ *Our sweet Conneene fought the best fight I've known for this Cancer but she did not lose her love for life or the love for her family. She was the most loving, caring, giving Mom to her kids, grandkids & any other family who needed her and there just isn't enough words to express her kindness. We will miss her always but she has gone home to the Lord and the ones gone before. Rest in loving peace till we meet again.*

“ Our cousin, Conneene, will be missed by all who knew her. She fought a long hard fight with cancer, but with the humor and grace she always shared with everyone. Go rest high on that mountain, Conneene. You deserve it. Love and prayers to the family.
