

Austin Jason Collins

December 1, 1999 - October 5, 2022

Austin Jason Collins, age 22, of Spring and formerly of Navasota, died on Wednesday, October 5, 2022, at home surrounded by family. A public visitation will be held in his honor on Monday, October 17, 2022 from 5:00 - 6:00 PM followed by a Memorial Service at 6:00 PM in the chapel at Phillips & Luckey Funeral Home in Caldwell, Texas.

The family invites anyone who knew Austin to attend and remember his wonderful life. There will be a ceremony to spread his ashes at Cat Island, Mississippi at a later date to be determined by family.

He was a loving son, brother, grandson, nephew, and friend. While owning his stubborn streak and own sense of style, Austin had a loving and caring personality that will be missed by all who knew and loved him. His smile lit up every room and we will miss seeing him talking endlessly about his love of anime, video games, music, and playing the trombone. Austin stated that his two years working at the Texas Renaissance Festival while he was in high school was the best time of his young life. Those years helped him embrace his own style, which included "Kilt Fridays" throughout the school years and beyond.

Austin is survived by his father, Jason Collins; mother, Lisa McKinzie; stepfather, Jeff Conklin; sisters: April Collins & McKinzie Collins;

grandparents: Betty Collins, Orville & Charmaine McKinzie, Tom & Kathie Conklin; aunts and uncles: Jeannie & Jess Merten, Aaron & Nanette Collins, Beckie & Roger Yarbrough, Michael Rodgers, Kellie Conklin, Hunter Huckins, Justin Cowley, Kayla Cowley, Carrie & Tom Barron, and Jerry & Erin Rogers; and those who Austin called his brothers and sister: Louis Krahl, Ashton Collins, and Kayleigh Schwarze; as well as numerous cousins, extended family members, and friends.

Austin is preceded in death by his maternal grandmother, Lori Heron Snyder, and his paternal grandfather, Art Collins.

Austin wished that any memorial tributes be made in the form of a charitable donation, preferably to MD Anderson. Contributions will support an important cause, and hopefully provide more innovative patient care, research, and resources for other patients of brain cancer, which is cared deeply for by our family.

When you think of Austin, celebrate the good memories you have of him. Remember that life is fragile and short and should be lived to the fullest.
