“ J.D. we were saddened to hear of the loss of your beloved Barbara. Our hearts go out to you and your family. I know you are overwhelmed with grief and would have preferred to go first. But, of course, our Father makes those decisions, and He will give us the strength to endure. Remember what the Lord says in Psalm 116:15, "Precious in the sight of the Lord is the death of his saints". Barbara leaves a beautiful legacy of caring for others, particularly children. May God comfort and strengthen you as you readjust your life. Gary and Pat Jackson

“ Joel and Dee Anna and Dillon, I was very upset to learn of your loss. I am sad and know that you all are hurting right now, I am so sorry. Your mother was so kind and probably a mother to me several times through the years. I hope you both draw some comfort in each other's company and the many beautiful memories that you and so many people shared. Mark Stow.

“ Nana was an amazing nana to our children! And the love she had for Jesus and for everyone. I'm so blessed to be able to had the opportunity to be apart of her life ❤️ nana had always been accepting to everyone and make good food and especially her home made donuts! The conversation you had with her was like a new breath of fresh air. Nana and papa relationship was the best I can think of and want to be like! There so much to talk about nana but I'm tearing up but we love nana and see you soon this isn't a good bye simply see you later ❤️
