“ To Colby. So sorry about your mom we worked many a year in Line 3. She was fun and was a great cook and hard worker. But what I liked the most was how she kept the lunch room so clean. If we cooked you would have to clean up before you would eat. She loved going to the river and fishing and drinking a few BEERS. She could stand her ground on doing her job at Alcoa. May She Rest In Peace.

“ I had the pleasure of working with and getting to know Miss Barbara at Wal Mart. There are not enough words to discribe this wonderful lady. She was like a momma to us. She was kind, wise, tough and yes very outspoken. If it needed to be said she could definitely get her point across in no uncertain terms and language. It was truly a blessing to have known her. Thank you for sharing your mother, grandmother and great grandmother with us. May she rest in the arms of the angels and may there be many pink bougainvilleas in her new heavenly home.
