“ *She was such a sweet girl and had a sense of fun. One time Charlyne & I were in the bathroom in Aunt Berdie's house and Berta Jean and my sister, Linda, hid in the closet and started moaning and making ghost noises and pushing on the closet door. We were in the house by ourselves getting "pretty" and they scared the living daylight out of us. Charlyne and I went running out of the house scared. The two of them laughed and told the whole family what happened.*
