“ Aunt Betty exuded happiness. She always uplifted me whenever I had the chance to visit with her. My mother thought the world of her. She was a vital part of our family and I know she will be missed by many. My grandson Tayton shared the same birthday and he is very proud of this. He would call her on their birthday just to say "Hi." I love you Aunt Betty.

“ Hi Herbie and to all your family. I loved your mom - it was so nice to see her at the Rejuvenation Center and I just visited with her just about a week or so there. I was in hurry and yep she said Karen is that you. And we got to talk. It is really hard in your heart to lose a parent so remember her smiles, her laughs and of course the good times you all had shared together. (And Herbie, I am sure she had some rough times with you too but she made it through with you.) Keep the Lord in your heart and soul - He will take care of us all. Then that special day we all will get that ultimate goal to be in heaven with Him. Love to you all, Karen Gersch Urban
