“ We want to send our condolences on the loss of your Mother, Grandmother, and friend. Betty is not gone, just away. She will live on in your hearts. And then one day you too will be reunited with your love ones. Betty would not want you to cry for her for now she is no longer in pain and sorrow. Because she has been reunited with her love, Gene! Both are in a better place! God bless and keep you all during this time of sorrow.
