“ To the family of Betty,
Words can not begin to ease the pain that one feels at the passing of a loved one, the only thing that truly helps you through, is the fond memories that you have of them and time. Time is the key. In time, the pain will ease up and it will not cut as deeply. For the pain that you are in, I am sorry. My heart goes out to you all. I had the pleasure to get to know Betty over the last year or so, and I know that she loved you all very much. No matter how she felt, she always greeted me with a smile and kind words. I will miss her sweet smile. Thank you for allowing welcoming me into your home, and for the honor to know Betty. My thoughts and prayers are with you.
