*Beverly was such an amazing woman. The love of Jesus Christ just radiated out of her all the time. I love her smile and her warm enthusiasm. She always had an encouraging word for everyone that she met. She was one of those rare people who never meet a stranger. I will sorely miss her, but her attitude and those precious memories will live on forever. I pray that God will comfort and bless her family and friends.*

“ I have known Beverly all her life. I use to go to her mothers house (Vera Mae Moore) who lived in the flats. I would go to her house and eat anytime I wanted to. Beverly got her goodness and kindness from her mom whom I loved. Beverly, you will always have a place in my heart. She was my niece and always will be. She always called me Aunt Linda. The last time I saw Beverly was at Rising Star when her son Brandon preached after our reunion in July and that young man preached. She gave me a hug afterward and we talked about how good The Lord is and testifying how he had brought us out of our illnesses. You will be truly missed. Another Angel has joined her father. Love.

“ *Dear sweet Beverly...she just found the good in everybody. She was my 'bucket of sunshine' at work. We worked together at State Farm in Caldwell and she was such a joy to work alongside of. She loved talking about her children, husband and family and lit up when she did. She was so proud of all of them. She always had pictures and showed them to us and giggled...that 'giggle'. It was hers to own. She had a giggle that made you smile and giggle in return. I have prayed for Beverly, her husband, her children and her family so much since I found out about her passing. In between prayers I have smiled because I know she now walks with God in eternal peace. I pray for peace and comfort in the Gunnel's family and a speedy recovering for the children.*

*Godspeed.*
