“ Oh sweet, sweet Donna, Kevin and Glenn, do you remember the girls that owned kountry inn restaurant in Rockdale? I am one of those girls, I just want to tell you we know you're pain at this time, your mom was the woman everyone loved including us, but know she is with our lord and no more pain, give her a little peck on the cheek and tell her we thought she was so special and we will always carry her and the family in our hearts until we meet again. .!! Love you all the Rogers girls
