“ I'm so sorry for your loss. She was always so
kind to me. I remember when I told her I
joined OES, she was thrilled and excited that
a younger generation was getting involved.
Such a loving lady! She will most definitely be

“ Dear Family of Aunt Billie June,
We just found out late last night about the loss of this precious lady. I have such fond memories of our many conversations. She was a world of knowledge about life and family. The year Poncho's dad died... she had us over for Christmas in Rockdale. She gave me a beautiful set of Christmas towels. That was over 20 years ago. I put those out every Christmas and think of her. I am so sorry we cannot be there. Poncho is not even home. We are deeply saddened. Please know we are lifting you all up in prayer. May the peace of the Lord be with you all!

Love,

“ Remembering Billie and her smile and encouraging words. She was a good friend to dad especially when she lived just a few doors from him on Alcoa. She made it a point to be friendly to me at church and lots of other people too. A nice lady.

“ My most sincere condolences go out to Greg and Jerry and their families . I knew Billie for many years, having been in the same profession as she was. (I managed the medical records department at Richards Memorial Hospital in Rockdale for 13 years, and attended church with her in Rockdale for an even longer time). I recall her living up the street from my dad, Eddie Braun, on Alcoa Avenue, and he thought highly of her as well. She was a beautiful, pleasant lady, who adored her family and her faith in God was unflinching. She had a smile and a kind word for everyone she met, and was a genuine Lady, for whom I had the utmost respect. May God comfort you, Greg and Jerry, and all of Billie's family members, as you cope with your loss.
