“ *Billie was such a dear person. I have wonderful memories of her and Leon hosting the Brockenbush reunion for several years. She was a great, welcoming host and always interested in everyone who attended. I knew her for years before they started hosting the Brockenbush reunion, but I am so glad that I got to know her better during those years. It saddens me that she has departed this life, but I know she is in a better place. Peace be with all her family. I know you will miss her greatly*
