“ My sincere condolences to the family of Billy Joe Hall. I was privileged to be a classmate of his and years later he and Bess were next-door neighbors. He was always kind, courteous and a truly nice person, not to mention how intelligent he was. I know he will be missed. I pray that God will comfort you in your grief, and I will remember you in my prayers.

“ We were blessed to know Billy & Bess as part of Meadowbrook Church family. They were amazing partners in giving Children’s sermons as part of the Sunday service. We loved hearing them share the Gospel in that way. Billy and Bess also came to the hospital to sit with Doug when I had surgery. I still remember the sweetest, most comforting prayer before going into surgery. We are so thankful that God allowed our paths to cross in this life! Well done, good and faithful servants of the Lord! Til we meet again!

“ *Ah, the end of an era! Bill Joe Hall and Albert Timmerman taught together what was then called vocational agriculture for many, many years at Rockdale. The number of lives that they touched and the depth to which they influenced young people are a legacy that will live thru those of us who benefited from their mentorship, their friendship, their genuine love for students.*

It's so fitting that a graduate of Rockdale H S and a former student of Mr Hall's (I believe!) Theresa Pesl (now Murphrey) was recognized just 30 minutes ago as the winner of a DISTINGUISHED TEACHING AWARD from the Association of Former Students. There are only three of these awards given annually.

The excellence in teaching of Billy Joe Hall continues through his former students!

One of the greatest individuals I have ever known. Mr. Hall (I've never called him Billy) was like a second father to me and taught me so much about humility, servitude, and more importantly, our relationship with God.

“ I was in Mr. Hall’s 6th grade Science class. He was a great teacher, and we enjoyed our science projects. And, later, my brother was in his Ag Science classes. Mr. Hall was a greatly respected member of our school community, and his legacy will live on as we honor his memory. My deepest sympathy to his family and friends.

“ So sorry to hear of your dad passing away. Billy was very kind man and I always had great respect for him and your mom. Your dad was kind enough to let me grow hogs out on their place. Growing the hogs help put me through TSTI in Waco, Texas and helped while I was going to Rockdale High School. There was very few dull moments out there for we always had your neighbor James helping us. Your dad went out of his way to help James and my dad. I would give James some small pigs that we thought did not have much chance of making it, but he always brought them around and kept them or sold them. I am very sad to hear of his passing on.

“ *Billy Joe and my paths crossed throughout the years in many ways. He and I both started our Rockdale teaching career in Rockdale Junior High School and then both were high school teachers. Later he was Landis' ag teacher. Along the way he and Fred were in the same Sunday School class at Meadowbrook Baptist Church and friends away from church; later he was my teacher.*

How I admired Billy Joe all the years I have known him as did so many others! I always thought of him as an out-and-out super person. He will be missed.
