Billy was born May 12, 1953 in Hearne to Billy Ray and Peggy (Clark) Morehead. He graduated from Hearne High School in 1971 and began his work career with Southern Pacific Railroad. When the economy took a downturn and he was no longer able to hold a position with the railroad, he worked as a carpenter's helper, painter, and finally as a truck driver to support his family. Family was always a priority to Billy. Billy also had a deep passion for golf. He couldn't wait for the weekends so that he could gather with his friends and play a round of golf hoping to win a bit of money if he played good. His love for the game was passed down to his daughter, Vicki and they shared several memories over many years on the course. Billy also enjoyed grilling and smoking food on the BBQ pit as well as working on the tractor. He also had a deep interest in firearms that he shared with his son, Vince. They had several conversations over which one was the best, could hold the most ammunition, and most importantly, if Vince had used this firearm while serving as a Marine. On June 22, 1974, Billy married Adelle Urbanovsky and they were blessed with two

children (Vince and Vicki) and three grandchildren (Melanie, Delayni and Liam) Billy loved his wife and children but his grandchildren were the joy of his life. He loved to pick up Melanie (his oldest granddaughter) at school on Friday, stop for a snack, and then head to Caldwell for a weekend at Paw Paw and Maw Maw's house for the weekend. Billy was preceded in death by his parents, his father-in-law and mother-in-law, Kverin and Agnes Urbanovsky and a brother-in-law, Jerry Urbanovsky.
