

Billy Arthur Morgan

August 27, 1954 - November 9, 2024

Billy Arthur Morgan, affectionately known as Billy to his friends and family, passed away peacefully on November 9, 2024, at his home in Liberty Hill, Texas, after a courageous battle with cancer. Born on August 27, 1954, in Hillsboro, Texas, Billy grew up to be a man of great character, whose loving, friendly, and kind nature touched the lives of many.

A proud graduate of Tarleton State University, Billy earned his bachelor's degree in Agribusiness, which paved the way for a successful and fulfilling career in the banking industry. His dedication to his profession was only matched by his commitment to his community, as he took great pride in supporting local events and serving those around him.

Billy's love for his family was the cornerstone of his life. He is survived by his beloved wife, Lisa Morgan, with whom he shared a passion for dancing; his sons, James and Mitchell Morgan, the latter married to Shianne; Daughters, Rachel Coffey, married to Dustin, and Katherine Johnson; his sister, Janice, and her husband, Charlie Mac. Billy's legacy extends to his cherished grandchildren, Cael, Georgia, Lacey, Captain, Kyleigh, Copelynn, Adella, and Millie whose lives have been enriched by his love and wisdom.

Billy's interests and passions were as rich and diverse as the life he led. He had a profound love for raising Hereford cattle and could often be found at

stock shows, where his expertise and enthusiasm were well known. His love for agriculture extended to his personal life, where he found great joy in working on his land and tending to his cattle.

A true Texan at heart, Billy had a special fondness for the traditional dancehalls scattered throughout Central Texas. He and his wife, Lisa, could frequently be seen two-stepping across the dance floor, their laughter and smiles a beacon of their shared love and happiness. These moments of joy were among the many treasured memories that Billy's family and friends will hold dear.

Above all, Billy's greatest joy came from spending time with his grandchildren. Whether he was sharing the intricacies of farm life, attending their various activities, or simply enjoying their company, his love for them was evident in every action and every word. The legacy of his kindness, his generosity of spirit, and his unwavering support will continue to live on in them.

Billy's presence will be greatly missed by all who knew him. His warmth, his unwavering support, and his ability to make every person he met feel like the most important person in the world were just a few of the qualities that made him the extraordinary man he was. His impact on his family, friends, and community will not be forgotten, and his memory will be cherished forever.

As we say goodbye to Billy Arthur Morgan, we celebrate a life well-lived, a life filled with love, friendship, and an endless capacity for kindness. His story is one of a man who made the world a better place by being in it, and though he has left us, the echoes of his contributions will resonate for generations to come.
