“ John, Candy, Johnny, Doug, Debbie & Willie: I wanted you guys to know how much Bobbie meant to me. She was more than a friend. She was my "sister". We shared a friendship from the time we were in first grade. Even though miles separated us and time passed, we never lost the closeness and Love we shared for each other. Just know that she loved all of you guys deeply. We will miss her but know that she is at peace and I believe we will all be together again with our loved ones and what a great reunion that will be. I'm sorry that I can't be with you but just know you are all in my heart and so is Bobbie and she always will be. WITH ALL MY LOVE Rose Myrtle
