“ My family has known Bonnie for a long time and her family and we love you all very much. Its not often that you find good people and she was that, Bonnie was good people. She had a way of doing things, in her own time. She always spoke her mind whether you liked what she said or not, but she usually never said anything ugly. She wanted the best result for all her advice. She was good to all the kids that came around and hung out. I loved hanging out at the Kelley house, it was always fun and inviting because, Bonnie made everyone feel welcomed! My only memory I think was one I don't want to repeat is my experience with her dog. He didn't like me too much! Danny, my heart goes out to you with the upmost amount of love, prayers and respect. May God comfort you all and know that you are loved and have plenty of family and friends behind you. Bonnie is at peace now. I am sorry I didn't get to say goodbye, but I know I will see her again someday when I get to Heaven
