Dear Criner and Mireles families. I love this amazing girl her smile and her laughter. She was always encouraging. She loved God and now she's with grandma Ruby. They're both wonderful loving caring women. Brandie used to work with me at Pizza Hut years ago. She and Ruby went to our church for a long time. She will be missed. May God give y'all comfort and strength and be with you. Our hearts, thoughts, and prayers go out to y'all. Loved you so much my sister in Christ.

“ We grew up together. We were cheerleaders together. We played softball and volleyball together. We had sleepovers and giggled, swam and fished and danced together...there are so many precious memories I will never forget. Our paths would cross here and there over the years and we would plan to get together. The last time I saw you was when I was moving in your old house in Lexington, you were inside shampooing the carpet before you left, and we hugged, and laughed at the fact neither one of us had known we would cross paths in a house that you were moving out of, and I was moving in to....Brandie, I am so blessed that you were a part of my life and I will never forget you. Such a beautiful person inside and out. Prayers and condolences to her entire family.
