“ *Brenda and I went to grade school together and took piano lessons from Mrs. Owens in Lexington once a week. The girls in 7 & 8th grade would go to each others house in the summer and spend the day. Fun memories. *I miss you, Bink. You are my cousin and my friend. You enjoyed life and people. You could always make me smile just because you were so full of joy. You loved your family and spending time with them and your many friends. A piece of my heart broke when I heard the news. My love and prayers go out to the family. My world will be forever dimmed because you are not here. My memories will have to do. "you are my sunshine, my only sunshine. You make me happy when skies are gray.
