“ *Tousands of memories you leave with me - from the loving, affectionate little girl of 7 that I met and fell in love with - to the beautiful woman that you became. It's so hard to say what I loved about you most - but I loved you as my own, and I am forever blessed by the years that we shared. I know that when God calls me home - I will recognize you by that beautiful smile of yours. You have no idea how much you will be missed. I love you.*
