“ *Brian Keith Stroud was a cowboy, an outdoorsman, a two-stepper, a believer and one of my closest friends whom I loved dearly! No judgements just unconditional acceptance!*

*He could build and fix anything! He loved his home in Caldwell, the friends he has there and the freedom it gave him to have rabbits, ducks or chickens at any given time. He was a fabulous cook! Boy will my family and I miss his grilled bacon wrapped stuffed jalapeños!! 😊*

*He was passionate about living life and never met a stranger! I met Brian in 2011 when he lived in Bryan, Tx and we remained friends until his passing! He gave me this sign years ago that spoke to his moto for living...(see picture)*

*I will miss him every day but I know he is with his Saviour, Jesus Christ and at Peace with the struggles of this earthly world!!*

*Now the Cowboy rides away!*

“ *Brian is my youngest brother. Brian loved the outdoors, loved to catch snakes and loved the outdoors! When we were kids he protected me as much as I protected him! We played rough and did our homework on a bale of hay. Our grandfather called us twins! I love you Brian and I'll see you again!* ”
