“ My name is David Martin. My family and I lived by George and Betty Alexander in Maysville, Oklahoma (up on the hill) We were next door neighbors. We were over at each other's house off and on and hung around with all the kids. Since we were closer to Carl Ray and Tommy George and Cheryl we did a few things with them. We moved away and then they finally moved to Pernell where Mr. Alexander (George) was a custodian for the Pernell Schools. We lost contact with them . I am so very sorry to hear of both Carl Ray and Tommy George passing. Both very good guys growing up. I'm sure they were also very fine family men as well. Please accept my sincerest sympathies . Cherished memories of the whole Alexander family.

*I reside in Pauls Valley, Oklahoma and have worked at Whitebead School for the past 34 years. Still employed at the school. Please also give Betty my best. She too, was always very kind.*
