“ There are not words to express the loss I feel for Mr. Pete. I have known him since I started teaching at Lexington and he has been a huge part of our education community here in Lexington. My thoughts and prayers go out to the family during this most difficult of times. You shall be comforted in knowing that Mr. Pete has left an imprint and legacy on what he did for the education of the children in our community that will last forever. God has blessed us with him and now there is an Angel watching out over all of us as we continue his work in education in this great community.
