“ This is a sad moment for me. This man here has helped me more than once and each time he never complained. Our last meet up was at a trail ride in Cameron and he held my grandbaby, he had never met her but he took care of her, my other grandbaby my daughter and myself he made sure we all got back safely. We had so much fun, he was that guy that would help you if he could. I'm going to miss you Carl in our short time of knowing one another. Rest easy..my friend 🥺🥺
