“ I'm at such a loss for words. I always imagined I'd have time to stop by for a quick visit, but I took it for granted. I will always admire your beauty, style, and the way you loved your family. You were always the same person no matter the situation and you always treated me like one of yours. You'll be truly missed. Rest happily with your husband and son, and continue to watch over your family as you always have.

Love,
Tiffany
