“ *When I became the QC Director for La., Carol was one of the 1st people to extend a helping hand, advice, and perspective on the delicate process of "calling it like it is" when auditing state programs. We also worked together on the QC Director's board under the Am. Human Services Assoc. Her opinion was highly valued by all of us. I loved her forthright manner (so refreshing), and we enjoyed many good times- socially as well as professionally. I will miss her greatly.*

“ Truly heartbreaking to loose such a sweet and comical friend of ours for years. We worked out a few times at the fitness center for a short time, but sure enjoyed our visits when we were there and cutting up about days gone by. My thoughts and prayers are with you Melissa and those Grandkids. Your mom sure loved you all so much. Prayers of comfort to Carols mom, Mrs Hernandez. I find comfort knowing Carol is no longer suffering from her cancer and can rest easy with our Lord in heaven. I'm sure going to miss your sweet face 😭💔

Love,
Gina
