“ Knowing Ms. Hartfield was a pleasure, privilege and honor. Being a part of her healthcare team gave me an opportunity to learn from her how to appreciate every moment of life that we are given. She demonstrated to us grit, determination, passion and compassion. Ms. Hartfield's love for life and belief in eternal life was an inspiration to us all and a lesson for each of us. She will live in my memories and always be there as an example for me, as I take on my personal battles with aging and ailments.

With Love,

“ *What a beautiful, sweet person Carolyn was. I am so sad to hear of her passing, and I am sorry that I never got around to going back and playing Bingo with her. She was always like a ray of sunshine with that big ol' smile and that easy laughter, and I know how much you will miss her.*

May God comfort you and all her family and friends as you walk this valley. Love, Jeanie & David Mundine

I've known Carolyn since elementary school... though I haven't seen her lately. We worked together for a while, too, back when we were in high school -- at the Dairy Mart. We had a lot of fun making hamburgers and sharing many good laughs, or probably giggles. She was always smiling and cheerful. I have fond memories of her.

I know you will miss her, and may God bless you and carry you through your time of sadness.

Sincerely, Ruth Henderson Boethel
