I'm going miss those hugs and laying on her bed and talking to her all night on days like Thanksgiving. Moma could be going through hell and still get excited about the Word and prophecies. That faith needs to be in our DNA.

“ I want to say thank you to momma scott. You have done a lot for me and you have been a big influence on my life. You took a kid from Omaha and showed him it was more to life than this little city I'm from. If it wasn't for you I don't know where I would've ended up. And I thank you from the bottom of my heart. I will miss you.
