“ *Kay was not only a beautiful and caring person; she was also one of my Best Friends. I've known her for about 28 plus years and no matter how long it had been since we had see each other it was just like we picked up from where we left off. I remember going with her when she would sing at different places, which so very much loved to do, her smile and her laugh. Heaven gained another beautiful and special Angel. I know I haven't kept in touch but I love her and will miss her dearly. My deepest condolences to JoAnn, Denise and Shannon, along with all of your families.*
